### HVGDC EQUIPMENT POLICY

Keys to the equipment trailer will be issued to club members upon request. Equipment operation and policy will be reviewed with the member and a liability waiver will be signed by the club member before a key is issued.

All Equipment use is restricted to club members.

All Equipment will be signed out. A clipboard and sign out sheet is in the trailer. The name and phone number of the equipment mangers are posted on the sign out sheet.

Use is restricted to training areas along Harmony Road and the York Ponds, or such other locations as the club will designate from time-to-time.

Equipment must be returned the same day it is checked out.

If equipment is checked out on the same day as a scheduled club function it must be returned before the club's scheduled start time.

It is the members' responsibility to inform themselves if there is a club function on the day they check out equipment.

Club functions will be scheduled on the HVGDC website.

Any equipment problems must be noted on check-out sheet **and** brought to the equipment manager's attention.

Shot guns and poppers are not available for check out.
